

# JetTrac Decimal™

## **Intelligent decimal insertion when your data file does not have decimals**

### **Features**

**Inserts decimal points into data.** JetTrac Decimal™ reads each field in your data file and inserts decimal points where you specify.

**Uses intelligent insertion.** JetTrac Decimal inserts decimals in each field based on a definition file.

**Eliminates custom programming in host application.** JetTrac Decimal takes care of decimals so expensive custom programs in your system don't have to be changed.

### **The Company**

Pro Technology Automation is an industry leader for developing custom JetForm Central™ solutions. Pro Technology has over six years of experience with hundreds of clients, providing both custom agents and development, consulting, implementation and training for JetForm Central solutions.

### **Other Products**

Pro Technology markets and installs a large variety of its JetTrac™ JetForm Central™ custom agents that give JetForm Central the functionality your business has always needed but lived without until now. Some of the many functions include sorting records, separating documents for different printers, reformatting addresses, reprinting, and more that automate tasks traditionally handled by one or several employees. We can even develop a custom agent specifically for your needs.
