

# JetTrac Reprint™

## **Allows you to reprint one or more documents from a large batch**

### **Features**

**Provides for single documents to be reprinted.** If a single check or other document jams or fails to print, you can reprint it without reprinting the whole batch.

**Windows GUI interface.** With a few mouse clicks you can select the document(s) and resubmit them to JetForm Central™ for reprinting.

**Several reprint options (Range, Number, Manual).** JetTrac Reprint's flexibility allows you to work more efficiently.

**Works on Field Nominated Files.** This JetForm Central-native file format is easy to archive and compact to store.

**Cross-Platform.** JetTrac Reprint can access and reprint documents even when Central runs on AS/400 and UNIX.

### **The Company**

Pro Technology Automation is an industry leader for developing custom JetForm Central™ solutions. Pro Technology has over six years of experience with hundreds of clients, providing both custom agents and development, consulting, implementation and training for JetForm Central solutions.

### **Other Products**

Pro Technology markets and installs a large variety of its JetTrac™ JetForm Central™ custom agents that give JetForm Central the functionality your business has always needed but lived without until now. Some of the many functions include sorting records, separating documents for different printers, reformatting addresses, reprinting, and more that automate tasks traditionally handled by one or several employees. We can even develop a custom agent specifically for your needs.
